

TWO HUNDRED DOLLARS REWARD.—

Ran away from the subscriber, living on the north side of Severn, at the Ferry, about sunrise on the morning of the 25th November, a Negro Man, who calls himself HENRY HAMMOND.

He was formerly the property of Dr. Kea, from whose estate I purchased him about four years ago. He is about 29 years of age; about 5 feet 6 inches high; very bright color, but not a mulatto; has a scar from the bite of a dog on one of his legs, which was seared with an iron to prevent hydrophobia. The clothing which he took with him, as far as can be ascertained, was a black cloth body coat, and black pantaloons, not very much worn; and plain black Russia hat. His working clothes, which he had on, are, drab pantaloons, with several patches on them, and drab coat, bull woolly; and a pair of new coarse pegged boots. It is probable that he has a pass bearing the name of Samuel Wilson, (a deceased negro) from whose wife he endeavored to obtain said pass during the last summer.

I will give 200 dollars for the apprehension of the above described negro, if he is taken out of the state of Maryland; and if taken in the state I will give \$100 if safely lodged in jail or delivered to me.

GEORGE B. HAYDEN.
